What is God saying to me and what does He want me to do?

Why is our world so different from what we read about in the first chapters of Genesis? Why are we seemingly unable to fix it? Why does God give us a second chance?

Who is your second chance dependent on? On what basis do you give others a second chance? How could you show the Gospel through your life more?

What does a second chance look like to you? Why are so many people ignoring the second chance God has given them? What could you do about it?

I will read the second week of F260 Bible reading plan and I will learn the memory verses.
